ne Queries were read and Edith C. Jelley Miles A. Mole, Louisa N. Meader and Elizabeth H. Telford appointed representative to the Quarterly Meeting on Thursday and overnight

The following report was adopted.

In common with other bodies of friends we have not been unmindful of the calls upon us for sympathy and material aid because of the terrible struggle in Europe into which our own nation has now been drawn, and steps have been taken to keep us in practical touch with the Relief Unit now in training at Haverford. We have learned that several of our young members have been drafted and as the Meeting has appointed a Committee to lend these whatever assistance and counsel they may need in claiming the exemption

allowed by law.

We have with us this summer a young Friend from Indiana, Washington Ledgerwood, who has been a worker on Saylesville

similar in character to that carried on last season by Cornelia Rugen. She has enrolled 68 names in the Summer Bible School, and there seems to be much interest manifested in the work.

With our assistance an evening meeting has been started on 1st day which though small in numbers as yet, we hope may increase as the weeks go by.

It is with sad hearts that we have to record to day the passing away from us of our dear friend and fellow member Charles Tessore who breathed his last on 2nd day morning 11th mo 10, after a prolonged period of bodily suffering.

The gap in our ranks which his removal leaves seems impossible to fill and will seem to grow wider rather than close up as gatherings & gatherings both social and religious, reminds us fresh of the painful void.

May the great Head of the Church in his own good time raise up and endue with his spirit those who can carry on the influences for good that lay so near his heart up to the very last.
